

14th International Conference on Precision Engineering (ICPE 2012)

Nov. 8(Thu.) - 10(Sat.) , 2012

Organized by The Japan Society for Precision Engineering

About Conference

The 14th International Conference on Precision Engineering will be organized by the Japan Society for Precision Engineering (JSPE) on 8-10 November 2012 at Awaji Island, Japan. The conference will be held at Awaji Yumebutai International Conference Center surrounded by a rich natural environment.

Conference Topics

ICPE 2012 focuses on the following topics.

- High precision machining
- Non-conventional machining
- CAD/CAM technology
- Machining control
- Machine tools
- MEMS/NEMS
- Precision devices
- Mechatronics
- Tribological systems
- Measurement engineering
- Design engineering
- Service engineering
- Medical devices
- Green manufacturing
- Advanced moulding and forming
- Other related technologies

Conference Committee

Conference Chair

Prof. Tojiro Aoyama, Keio University, Japan

Conference Co-chair

Prof. Atsushi Matsubara, Kyoto University, Japan

Prof. Hideki Aoyama, Keio University, Japan

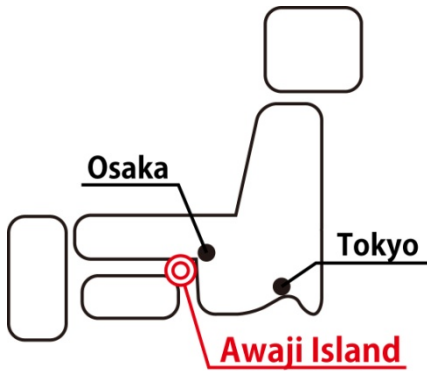

Program Chair

Prof. Libo Zhou, Ibaraki University, Japan

Conference Secretary

Assoc. Prof. Hayato Yoshioka, Tokyo Institute of Technology, Japan

Abstract Submission

Paper abstracts to ICPE 2012 should be submitted by October 31, 2011 through the conference website. The following information is required to submit papers; paper title, authors' names, affiliations, email address of the corresponding author, 3-5 keywords, and abstract less than 200 words. One registered speaker is limited to present up to two papers.

Each submitted abstract will be reviewed by the conference committee.

Publication

Authors of accepted abstracts can submit papers to ICPE 2012. Papers should be written in 4 - 6 pages. Each submitted paper will be reviewed by two reviewers again. All accepted papers will be published in **KEY ENGINEERING MATERIALS**.
